INVITATION V INTERNATIONAL TAEKWONDO OPEN "DON QUIJOTE"

It is a pleasure and an honor for me to address all of you to invite you again to join us in the celebration of this fifth edition of the International Taekwondo Open "Don Quijote", which will take place in Ciudad Real (Spain). from October 22 to 24 of this year 2021.

I want to thank everyone who in some way encouraged us and supported us in the celebration of this Open one more year, despite the difficult times we are going through and, in a very special way, to the Community Board of Castilla-La Mancha, City Council Ciudad Real, Ciudad Real Provincial Council, Korean Embassy in Spain and collaborating private entities.

Likewise, I want to express my gratitude to the Royal Spanish Taekwondo Federation for all the effort it has made before the Higher Sports Council for its internationality, as well as that this International Open can be held as an official event included in the calendar of said institution, and for the dissemination that it is doing before other Spanish and international territorial federations.

Finally, I would like to thank everyone who will participate in this fifth edition of the "Don Quixote" Open, because without their assistance, and the enormous effort that this assistance implies due to the situation in which we find ourselves immersed, it would not be possible to do so.

A big hug for the whole Taekwondo family, and we are waiting for you in Ciudad Real to enjoy this event, in which we will put all possible means at your disposal.

G.M. Dr. Kim Young Ki
President of Castilla-La Mancha Taekwondo Federation
